

# Squamish Medical Clinic

37979 Cleveland Avenue  
Squamish, BC

Squamish Medical Clinic is a multidisciplinary office with seven family physicians, and one Registered Nurse. Each family physician typically works 2-3 days per week in the office and has two examination rooms during their office hours. The office space includes a procedure room, a small kitchen, and a bathroom with a shower. Our current EMR is Intrahealth Profile.
