TESTIMONIALS

Over the years, I was always and continue to be impressed by the organization, diligence, and hard work from the clinical staff. The clinic had a collaborative work environment that allowed flexible scheduling suited to my practice style and cross coverage for vacations/breaks was available... My experience at the Terra Nova Medical centre really allowed me to become the physician that I am today! - DR MENGLIN YANG

From the moment I joined the clinic, I was impressed by the seamless operations and streamlined processes in place. The clinic's commitment to efficiency ensures that patients receive prompt and comprehensive care, without compromising on quality...One of the key strengths of Terra Nova is its collaborative working environment. I must also highlight the exceptional support provided by the well-trained MOAs at Terra Nova. . - DR. VIRGINIA LE

Terra Nova Medical Clinic is a wonderful place to locum. The staff are supportive and efficient, the patients are friendly, and the colleagues provide a supportive and dynamic environment to work in. The clinic manager is excellent. It was of my favorite places to locum, and I would recommend it to everyone! - DR. SAMANTHA MAN
